

Community Contact Suggestions
From the Willow Run School, Family and Community Partnership
Committee Meeting
2/22/05 at Willow Run Middle School
6:00 – 7:30 p.m.

Compiled by Zoe Starkweather

(NOTE: I have arranged these alphabetically, combining the information from the three lists, however, I have repeated the names of the organizations. So if the organization was on all three lists, it will appear in the list below three times.

NOTE 2: Where the letters ok appear, that indicates that there is already a relationship between the schools and the business/organization.

NOTE 3: All the number 1, highest priority groups and people are in bold. –ZS)
