How am I the change activity

Challenge day video & Oprah video

Plan for being the change notecards

Willow Run Community Schools made a decision to pursue Challenge Day for the 2007-2008 school year to be paid for from grant funds. Fawn Martin contacted the organization to schedule dates. The event will occur on April 7 or 10.

There will be no meeting in April due to the spring break holiday. The next meeting, SFC will sponsor “Transition Night” for students that will be entering the middle school and high school next year which will include an ice cream social and overview of the new programs.

Next Meeting

May 15 Transitions Night
