

# Willow Run Community Schools

November 27, 2006

Willow Run School, Family, Community Partnership Agenda

6-7:30

## Updates from WRMS Stakeholders

Stephanie Homes from the Judson Center talked about partnership opportunities with WRMS. The group brainstormed a list of possibilities to focus on career development and preparation of middle school students for high school.

## Revision of Parent Involvement Policy

As a Title I district parents must complete a parent compact each year to have on file. There will be an on site review from the Michigan Department of Education this year. The group would like to revise the parent involvement policies as well as the discipline policies in the district. This will be put on the February agenda.
